GET BACK TO
YOUR BUSINESS.

PROFESSIONAL. PERSONAL. PRACTICAL.

Overdue doesn’t have to mean overlooked.

FJCM provides outsourced credit control, debt recovery and cashflow management for businesses across the UK and internationally.

DEBT RECOVERY

12% **commission from**

Rates and case eligibility agreed before work begins.

Professional follow-up for overdue invoices and aged debt. No win, no fee options are available for suitable cases.

Could recovery costs be added to the debt?

Where your agreed terms and conditions and applicable law permit, recovery charges may be added to the debt. We assess this case by case; charges are not automatically recoverable.

Support beyond the chase.

Credit control & collections

Proactive credit control, commercial debt recovery and suitable unregulated consumer accounts.

Find, assess & recover

Debtor tracing, business credit checks and international recovery support.

Prepare the next step

Pre-legal documentation and practical litigation support where appropriate.

Let’s talk cashflow.
